

*Amendments to the Specification*

Please amend paragraph 184 as follows:

In an embodiment of the present invention, the information gathered by HCPACS 100, regarding more specific codes corresponding to covered products, is used by third party payors 106. As described above, during rules application in step 506, HCPACS 100 maps the HCPCS codes of products, for which third party payors 106 are providing coverage, to more specific codes such as SKU, UPC and ~~UDC~~ NDC codes. This information is saved by HCPACS 100 and can be provided to third party payors 106.
